Subject: Question about this week's WAR

Ben included a paragraph on the Animas River/Gold King Mine. I've included it below as he's requesting input from the other branches.

SF-T's WAR for Week Ending 814.15

-

ANIMAS RIVER/GOLD KING MINE: *Please ask input from other branches....* Contamination from the Gold King Mine spill resulted in the activation of Region 6's Incident Management Team. Key personnel from Superfund's Environmental Management Unit are providing support via tracking environmental sampling, operations, and finance in the Regional Emergency Operation Center (REOC). Currently, approximately 22 people working in the REOC managing the spill, and another 16 people and growing working in the field. **(Crossland, x____; Talton, x____; Banipal, x7324)**
